# soffio ACTIV

FILTRO ANTIBATTERICO

Una guida confortevole e un abitacolo sano. Un viaggio sicuro e senza pensieri, libero da odori ma soprattutto da gas nocivi e batteri.

Il nuovo filtro antibatterico **Soffio Activ** è studiato proprio per garantire la presenza nel veicolo di **aria purificata da batteri e allergeni nocivi** per la salute.

Soffio Activ protegge anche da **polvere e pollini**, responsabili di numerose patologie respiratorie, ed evita il formarsi di **muffe** anch'esse dannose per il nostro organismo.

Una **barriera dall'inquinamento** sempre maggiore, una sicurezza per il proprio benessere.
